Solutions

Turning your challenges into successful solutions.

Our partner, Forest Trail Academy, is offering Dual Enrollment/ Dual Credit Program where secondary students (9th -12th) can earn high school and college credit(s) for courses taken while they are enrolled at Forest Trail Academy full time through PES.

Accredited universities include the following: Oklahoma Christian, Salem University, and York University. All three universities also offer individual course(s) if your child is not interested in an AA degree but wants to take individual course(s) from these three (3) schools. Students may continue with their bachelor's degree in the same school without reapplying.
